ADVENTIST CHURCH

R. B. McDaniel, Pastor
Sabbath School Lesson No. 9 for November 29, 1969
Subject: Prophecies Concerning Isreal
Memory Verse: "Wherefore I will not be negligent to put you always in rememberance of these things, though ye know them, and be established in present truth." 2 Peter 1:12.
Study Aim: To seek a better understanding(1) of God's destiny for Israel ancient and spiritual as revealed in Bible Prophecy, and (2) of the principles by which to interpret and apply these prophecies.
Lesson Outline: Introduction – Phase I Glimpses of ancient Israels Glory –Q1. Early Witnesses for God. Deut. 34:7-12. 1 Sam. 3:19-21; Dan. 1:19-21;2:8 The influence of David and Solomon, I Chron. 14:2,17; I Kings 4:21-24, 29-34 II Phase. Place of the Christian Church, Q3. Messiah's coming foretold. Isa. 11:1,53:1-9 Q4. Israel's fate foretold. Matt. 22:2-10, Q5. The gospel to all the world. Matt. 24:14. Phase III. Prophecies Fulfilled in Spiritual Israel. Q6. Abraham's seed identified. Gal. 3:29, Q7. An illustration of a principle, Ezekiah 38 39. Rev. 20: 7-9, Q8. A principle to remember. I Cor. 10:11. Q9. Four phophetic categories. (1) Jer. 27:28; (2) Isa. 9:6,7 (3) Dan. 8:14 (4) Jer. 51:64. Q10. Joel's prophecy applied. Acts 2: 16,17. Phase IV. Beware of False Prophets. Q11. Results of their work. 2 Peter 2:1-3, Q12. Warning against misuse of Scripture. 2 Peter 3:16.
NOTE :"Seventh-day Adventist believe that generally speaking, the promises and predictions given through the Old testament prophets originally applied to literal Isreal and were to have been fulfilled to them on the condition that they obey God and remain loyal to Him. But the Scriptures record the fact they disobey and proved disloyal to Him, accordingly, what He purposed to do for the world through Isreal of old. He will finally accomplish through His church on earth today and many of the promises orginally made Isreal will be fulfilled to His remnant people at the close of time" SDA Bible Commenory Vo. 4 p 25,26.
"Paul emphasized the fact that the rejection of literal Isreal as God's instrument for the salvation of the world does not mean that individual Jews can no longer be saved for he is a Jew himself, but they are to be saved as Christians through faith in the shed blood of our Saviour Jesus Christ and not because they are Jews. In an age when every wind of doctrine is blowing it is well to make certain that our understanding of Bible prophecy rests upon a positive," Thus said the Lord.

The President of the United States is committed to lead this great Nation out of Vietnam in a manner that will insure a just and lasting peace.

Look at the events in our Nation's history that made us the greatest Nation in the world. They have a common theme—UNITY.

The North Vietnamese are trying to divide us, in an effort to weaken the President's negotiating position.

If we leave the North Vietnamese with the impression that we are divided, it will—

- lengthen the war
- increase American losses
- result in a weak peace that could lead to later, larger wars
- encourage future harassment by other nations

We call on millions of Americans to join us in letting the world know that we stand squarely beside our elected President in his efforts to secure a just and lasting peace.
